### **Masses for the Dead**

There will be a small box and cards at the back of each church from next weekend. If you so wish please write the names of your deceased loved ones and place the card in the box. These boxes will be placed upon the altar at all November Masses.

### **Mass for our Deceased on Thursday, 26 November 2009 at 7pm at Fordingbridge**

This will be a joint Parish event. All those who have suffered bereavement this year and those with the weight of grief over the loss of a loved one will find this Mass a source of comfort and healing. If you have any friends, whether Catholic or not, who might find such a Mass a support then please invite them.

**Communion may now be under both kinds again - host and wine from this week. Obviously people don't have to have the wine if they prefer not. So, Eucharistic Ministers need to go up to the altar as usual from next weekend and the exchange of greetings of peace during Mass may also be relaxed now.**

**Thank you from the Poitiers Project.**

**To everyone who is using Easysearch and Easy fundraising.**

**The Wave - the biggest rally on Climate Change ever seen in the UK is happening very soon!** Saturday 5th December, Central London: the Stop Climate Change coalition, of which CAFOD and Christian Aid are also part, is organising an Ecumenical service and a rally for climate justice ahead of the meeting of world leaders in Copenhagen to discuss the post-Kyoto treaty.

First of all, a huge thanks to all of you who have been signing the actions cards or encouraged others to sign them in your parishes and/or schools. We had a really warm response to the campaign and so far we have collected over 25,000 cards nationally (nearly 2,000 from our Diocese), and the figure is destined to rise in the next few weeks! If anyone has not signed cards yet, remember there is still time to take individual action or action in your parishes until 18th November.

The complete map of transport (together with the route of the march) is available at the following links:

<http://www.stopclimatechaos.org/the-wave#transport>

<http://www.cafod.org.uk/take-action/climate/the-wave/coach-map>

Please note: those maps are being updated more or less on a daily basis, because of some last-minute coaches being organised, so it's worth keeping an eye on them.

**LOGISTICS for the day:** you will find answers to all your queries in the just published **FAQ document on the CAFOD website** (also attached):

<http://www.cafod.org.uk/take-action/climate/the-wave/panels/the-wave-essential-info/the-wave-faqs> This document should hopefully cover most of your questions, but if you have a query still unanswered, please contact us and we'll be happy to help!
